Description

Methven's Kaha easy fit shower kit, has a chrome-plated riser rail with adjustable mounting brackets for easy retrofit installation and the Kaha Satinjet handset.

The Satinjet shower handset features body shower and massage sprays, giving a full body experience, like no other.

Satinjet has unique twin-jet technology to create the perfect water pressure and water droplet size, creating over 300,000 water droplets per second.

Key benefits:

- Easy to clean face plate
- Easy to fit shower rail - simply twist and lock brackets into place
- Kaha Satinjet hand shower, with adjustable holder
- Two types of spray - Satinjet body shower or massage
- Easy-fit connectors - For quick and simple installation
- Smooth 1.5m twist-free hose - Easy to use and to clean
- Water efficient without compromising performance
- Soap dish, with drainage slots
- Suitable for all plumbing systems

Approvals:

- WRAS approved
