	CTW01 Gravity Waste	£40.33
	CUW01 Pumped Waste	£40.33

Description

The AKW / Contour ShowerDec is an extremely strong floor former for creating level access wet rooms. Easy to install, it is suitable for timber or screeded floors, and can be rotated and cut to size on site if required.

Key benefits:

- Creates a complete level access wet room shower area once completed with vinyl flooring or tiled flooring when a tanking kit is also used

- Exceptionally strong design - FEA tested to withstand weights of 635kg (100 stone)
- Suitable for timber or screeded floors
- Compatible for underfloor heating
- 40mm flat area around the perimeter to allow for flush installation of shower doors
- Excellent built-in falls - approx. 2-2.5% built into the top surface (best in class)
- Optional gravity or pumped waste (pumps available separately)

Installation:

- Unhanded with offset waste position to avoid joists
- Textured top surface allows excellent adhesion of vinyl flooring
- Pre-formed semi-drilled fixing points
- Easily cut to size onsite using a circular saw or jigsaw
- Circular ribbed underside eliminates slippage when installing in concrete or screed

Choice of size:

- Please select as required

Optional Wastes:

- Contour CTW01 gravity waste
- Contour CUW01 pumped waste

Technical details:

- Thickness (mm): 24
- Load capacity (kg): 635
- Materials: GRP

Warranty:

- Lifetime manufacturer guarantee
