Purus Micro Cement Grid, High Grade Anodised Aluminium - Grey Finish

£102.08 Inc. VAT

Product Code: MC130G

Product Images

Description

Grey grid, manufactured from high grade anodised aluminium exclusively for Wetroom Innovations to be fully compatible with all Purus "Mini" drains. The 130mm diameter grid can be flipped for micro cement or resin flooring or used as a normal grid.

Also available in kit form with a Maxxus floor former and 2-part Purus waste (see Product Code: MC).

Simply replace the standard round plastic gulley cover supplied the Purus waste gullies.

The grid is removable for access and maintenance of the gulley below.

Technical details:

- Diameter: 130mm
- Designed specifically for microcement floors with a 3mm upstand
- Grate design style: Grid can be flipped for micro cement insert or normal grid finish
- Material: High grade anodised aluminium
