### **ED1762650SC Eucotherm Parallel Rail 1762x650mm - Chrome 1762x650mm - 1553 BTU**

£455.25

The chrome side loading Eucotherm radiator has open bars on one side ensuring easy towel hanging, and has a stylish modern appearance. 1762 x 650mm with a heat output BTU of 1553.

## Description

The Eucotherm parallel rail 1762x650mm towel radiator has been designed and manufactured with the bars open on one side to ensure easy towel hanging for both standing or seated users.

Alternating rails makes hanging up items such as towels more accessible to less able users.

The unique appearance gives the radiator a modern look, making it an excellent accompaniment to all bathrooms or wetrooms.

### **Key benefits:**

- Bars open on one side to ensure easy towel hanging
- 10 year guarantee on White and 5 year guarantee on chrome
- Stylish appearance
- The bars are open on alternating sides to ensure easy hanging of towels
