Description

Eucotherm Mamba Chrome ladder towel radiator has been designed and manufactured with the bars open on one side to ensure easy towel hanging for both standing or seated users.

The radiator is reversible to allow the opening to be on either side to make it easier than ever to design or refurbish any bathroom or wetroom.

Key benefits:

- Reversible to allow opening on either side
- Superior polished chrome finish
- Matching Chrome valves are available (order separately)
- The bars are open on one side to ensure easy hanging of towels
- Manufactured in the Eucotherm European factory

Technical details:

- Outputs Delta 50 (BTU): 825 or 1208
- Overall height (mm): 1000 or 1400
- Overall width (mm): 500 or 600
- Distance from wall to front face 60mm variable
- Pipe centres are 72mm
- Distance from wall to the centre 95mm

Guarantee:

- 5 Year Guarantee

Note:

- The chrome valves shown in the installed example image are not included
