Opulence Stainless Steel Grab Pole, Smooth, 32mm Dia. x 2500mm Length

£204.76 Inc. VAT

Product Code: GD-GP

Product Images

Ensure the rubber spacers are inserted in the lugs & secure to the shower screen.

Description

Contour Opulence 2500mm floor to ceiling grab pole, manufactured from stainless steel with a polished smooth finish. The pole can be cut to length on site as required, the fitting kit includes a concealed floor fixing, ceiling fixing shoe and cover plate.

The pole can also be attached to the edge of a frameless 8mm thick glass wet room screen/panel (not included) with the 3x brass lugs. To offer additional stability for when entering or exiting the shower.

The rail can be cut to length on site as required, the fitting kit includes a concealed floor fixing and a ceiling fixing shoe.

Key benefits:

- 2500mm length - can be trimmed to length on site (cut from the top down)
- Can be retrofitted to existing plain edged, 8mm thick frameless wet room / shower screens
- 3x brass chrome plated lugs with rubber spacers that clamp onto a glass screen
- Concealed nylon chamfered pole insert with 1x fixing - no exposed floor fixing or flange cover to stub toes on
- Top ceiling fixing, 3x fixing points with 80mm diameter cover
- Projection from edge of shower screen to outer edge of pole: 72mm
- Gap between grab pole and screen edge: 40mm
- Sturdy 32mm diameter grabrail
- UKCA & CE approved
- Smooth surface, polished stainless steel

Warranty:

- Lifetime Guarantee
