The side opening allows for ease of use from either a standing or seated position. Can be used as a dual fuel radiator, output of 1273 BTU, and or you can fit a 150W element (order separately) to allow for summer heating. Order valves separately. 832mm high x 500mm wide.

WA85OB - Wadesmill Side Towel Rail - Obsidian
832x500mm - 1273 BTU

£333.75

Stylish Wadesmill by Diffusion, a round tube steel open sided towel rail, with a powder coated Obsidian colour finish. A welcome addition to any bathroom or wetroom. The side opening allows for ease of use from either a standing or seated position. Can be used as a dual fuel radiator, output of 1273 BTU, and you can fit a 150W element (order separately) to allow for summer heating. Order valves separately. 832mm high x 500mm wide.

Description

The Diffusion Wadesmill Side 832x500mm towel radiator has been designed and manufactured with the tubes open on one side to ensure easy towel hanging for both standing or seated users.

The radiator is reversible to allow opening on either side to make it easier than ever to design or refurbish any bathroom or wetroom.

With the option to use as a dual fuel system (order the electric element separately) allowing you to use the radiator all year round, or you can run the radiator via the electric heating element only.

Key benefits:

- Bars open on one side to ensure easy towel hanging
- Reversible to allow opening on either side
- Dual fuel option, requires 150W heating element (order separately)
- Chrome and Colour matching valves are available (order separately)
- The tubes are open on one side to ensure easy hanging of towels
- Four colour options available: Gunmetal, Obsidian, Matt White, or Smoke

Technical details:

- Round steel tube open sided towel rail
- Optional dual fuel
- Output at 50°C (BTU): 1273
- Recommended heating element (W): 150
- Overall height (not including inlet pipes) (mm): 832
- Overall width (mm): 500
- Inlet pipe centres (mm): 50
- CE Approved and tested to BS EN442
- **Please note due to the manufacturing process the width and height dimensions are ± 2mm**

Guarantee:

- 5 Year Guarantee

Note:

- The chrome valves shown in the installed example image are not included
