Sateen Polished Finish (SPF)	£330.07
White Polyester Coated	£330.07

Description

The AWS Regent stainless steel removable 800mm folding support arm with a friction hinge, with concealed fixings and discrete cover plate for when the support rail is not required.

Ideal for flexible installations when the support rail is not always required, such as hotel rooms, guest houses and private homes.

Designed for use alongside WCs for extra support, and for use in shower areas where there is a requirement for a well-designed substantial rail for the safety of all users.

Suitable for use with toilet pans projecting 700 to 750mm from the wall.

Available in a choice of Mirror, Sateen polished finishes and White powder coated polyester for a warmer touch.

Constructed from high quality materials, the 35mm diameter gives the rail increased strength and stability.

Key benefits:

- 304 grade stainless steel drop down support arm
- Ideal for use in wet or damp areas
- Easy to use friction action hinge
- Stainless steel backplate for strength and durability
- Backplate bolt holes pre-drilled for M8 bolts (fixings not included)
- Removable cover plate, manufacture from stainless steel hides the wall fixing plate
- Made in Britain
- Doc M compliant
- Choice of Mirror (MPF), Sateen (SPF) polished finishes or White polyester coated for a warmer touch
- Matching AWS Regent grabrails and accessories also available

Technical details:

- Length (mm): 800
- Diameter (mm): 35
- Strong tubular construction
- Locking cover plate for when rail not required
- Tested to 120kg in vertical and 45 degree positions (this does not include wall fixings)

Warranty:

- 10 year manufacturer warranty

Please note:

- Fixings not included - the installer should select the correct fixing based on wall type
