Description

Eucotherm Ceres Chrome ladder towel radiator has been designed and manufactured with the bars open on one side to ensure easy towel hanging for both standing or seated users.

The radiator is reversible to allow the opening to be on either side to make it easier than ever to design or refurbish any bathroom or wetroom.

Key benefits:

- Reversible to allow opening on either side
- Superior polished chrome finish
- Matching Chrome valves are available (order separately)
- The bars are open on one side to ensure easy hanging of towels
- Manufactured in the Eucotherm European factory

Technical details:

- Outputs Delta 50 (BTU): 782, 1163 or 1564
- Overall height (mm): 800, 1190 or 1600
- Overall width (mm): 600
- Distance from wall to front face 85-105mm variable
- Pipe centres are 50mm
- Distance from wall to the centre 65-85mm

Guarantee:

- 5 Year Guarantee

Note:

- The chrome valve shown in the installed example image is not included
