£201.76 Inc. VAT

Product Code: A105/1120

Product Images

Description

Alca self-supporting frame for mounting a wall-hung bidet with an Installation depth of up to 200mm, frame width 510mm x 1120mm high, in front of a support wall or within a partition framed wall with a plasterboard finish and a floor thickness of 0-200mm.

For wall-hung bidets with a connecting pitch of 180mm or 230mm.

Key benefits:

- Installation depth 200mm max.
- The frame allows the anchoring to a separate sufficiently strong plasterboard partition, in front of the bearing wall
- Can be installed in a partition, in front of the support wall
- Adjustable anchor feet and a spring-lock system, with a range of 0-200mm
- The fitted frame should be covered with a plasterboard panel
- Water supply pitch: 55-145mm
- Frame material: powder-coated metal

Approvals:

- Kiwa Approved

Scope of supply:

- Fixings for bidet: threaded rod 4x M12, 4x washers, 2x covers, 2x nuts, & 2x thread protectors
- Fixation set: 4x screws Ø8×60mm, and 4x dowels Ø12
- Waste elbow HT 50 with seal
- Self-supporting frame
- Connection fittings G1/2" - G1/2"
- Max. load: 400kg

Warranty:

- 15 year manufacturer
