## Description

---

This AKW low depth gravity waste offers easy installation and flexibility of fitting with the AKW Sulby 2, Low Profile and Mullen shower trays on wooden floor installations or where height restrictions are an issue.

The waste has a 90mm diameter with a 50mm water trap.

### Key benefits:

- Easy installation
- Watertight fitting

- Top access 50mm water trap depth (seal)
- Easy cleaning, rodding and low maintenance
- Built-in strainer catches hair and debris which can be easily removed for cleaning
- Unique swivel outlet for quick and easy and flexible installation
- Approx. flow rate 9-14 litres per minute
- Plastic chromed waste top
- Overall depth of waste 82mm
- 60mm depth required to the underside of the shower tray
- For use with Tuff Form for vinyl wet room floor installations see (Product Code 25404+25409) which includes the required Tuff form waste adaptor.

**Warranty:**

- Lifetime Warranty (please refer to AKW's terms and conditions)
