Description

AKW peg lever basin taps offers a classic yet contemporary finish with the benefit of TMV2 thermostatic protection for domestic, TMV2 and WRAS approved.

Key benefits:

- Classic design
- Engineered for long life and service
- Easy to service and maintain

- Ease of operation with peg levers
- Suitable for low pressure and high pressure installations

Approvals:

- TMV2 approved
- WRAS approved

Technical details:

- Min. inlet pressure (Bar): 0.2 - 5.0
- Ceramic disc technology
- Zinc handles
- Brass internals
- Finish: chrome
- Colour: chrome

Warranty:

- 1 Year manufacturer warranty

Please note:

- Access must be made available to the water supplies and fixings for future maintenance and servicing. Isolation valves must be fitted. Flexihoses are not supplied
- Minimum height from the outlet of the nozzle to the underside of the cold tank should be 1.8 metres to ensure adequate performance
- Do not use abrasive cleaning chemicals or scouring cloths since this will affect the surface finish
- These taps should not be used with pressures exceeding 5 bar
