Optional remote control	SmartCare Plus Remote	£63.61

Description

The AKW SmartCare Plus 8.5kW is an expertly designed electric shower encompassing a multitude of features designed to aid with personal or assisted showering; features, such as the option to control the shower by the remote control, via an app (Android or iPhone) or the shower with the raised tactile "+" and "-" buttons for the flow rate and temperature.

The shower has also been designed to assist the installer with simple but thoughtful features such as 6 different electric and water entry points, dual power blocks for right or left-hand wiring and a footprint that covers most manufacturer models; this reduces the chances of having to re-tile if retrofitting.

For added reassurance when showering, the included 1000mm riser bar has a 150kg maximum load-bearing.

Key benefits:

- Quick and easy to install
- Easy push button controls
- Easy push button controls allow for easy operation by users with limited dexterity
- Electronic thermostatic Temperature and Flow Control
- Audible and tactile controls for temperature and flow to assisted users with visual impairments
- Audible indicators when the desired temperature and flow is reached
- Anti-glare matte finish panel

- Rounded surfaces for added safety if the user falls in the shower
- 1000mm riser rail in a choice of White/Silver
- The 1000mm riser rail has a maximum load of 150kg so can be used as a grab bar
- 2m anti-kink smooth hose
- Includes a 3 mode shower head
- Optional eco-setting limiting flow rate to 6 litres per minute
- Optional CAT5 hose retaining ring (required for category five installations)
- Soap Dish

Choice of control:

- Raised tactile flow and temperature controls on the body of the shower
- Led lights display the temperature and the flow rate
- Remote control that has a range of up to ten meters
- iShower app for Android and iPhone

Technical details:

- Hose length (mm): 2000
- Riser rail (mm): 1000
- Height (mm): 388
- Width (mm): 240
- Depth (mm): 82
- Footprint height (mm): 365
- Footprint width (mm): 218
- Riser colour: White/Silver
- Output (kW): 8.5
- Supply rating: 35/40 amp
- Residual Current device: 30mA (must be fitted)
- Isolation Switch: 50 Amp double pole with 3mm contact separation
- Terminal block connections: Max. 10mm²
- 6 cable entry points: top, bottom or back
- Supply: Mains pressure cold water feed
- 6 water entry points: top, bottom or back
- Inlet connections: 15mm compression
- Outlet connection: ½" BSP male
- Min. dynamic pressure: 0.5 - 1 bar
- Max. static pressure: 10 bar
- inlet temperature range: 3 - 28°C
- Water ingress rating: IPX4

Approvals:

- WRAS Approved
- BEAB Care Approved
- BEAB Approved
- RNIB Approved Gold awarded

Manufacturer warranty:

- 5 year manufacture warranty
