Description

AKW slotted basin waste with plug chain anchor plug.

The chain stay anchors on to a basin tap rather than requiring a moulding fixture, compatible with all akw sanitary ware.

Key benefits:

- Chain anchor point that fixes to taps
- Plug and chain anchor fits all basins, rather than only basins with a built-in anchor point
- Traditional black plug and ball link chain
- Research suggests that using a traditional plug and chain waste is more dementia friendly
- Designed for installation in a washbasin with an overflow
