Description

AKW cross head basin taps (pair) features a traditional and timeless cross head design with hot and cold markers. Research has shown that taps designed with a cross head can often help someone with dementia recognise their function because of long term familiarity, WRAS approved.

Key benefits:

- Timeless traditional design
- Traditional hot and cold markers

- Familiar to people with dementia
- Engineered for long life and service
- Easy to service and maintain
- Suitable for low pressure and high pressure installations
- Matching AKW brassware available for washbasins and baths

Approvals:

- WRAS approved

Technical details:

- Min. inlet pressure (Bar): 0.2 - 5.0 bar
- Zinc cross head handles
- Brass internals
- Finish: chrome plated
- Colour: chrome plated

Warranty:

- 1 Year manufacturer warranty

Please note:

- This product must be installed in compliance with Water Bylaws Regulations, flow limiters may be needed to meet local requirements
- Access must be made available to the water supplies and fixings for future maintenance and servicing. Isolation valves must be fitted
- Do not use abrasive cleaning chemicals or scouring cloths as this will affect the surface finish
