24085 - AKW Heavy Duty Shower Curtain 1800x1800mm Drop

£22.18

AKW heavy duty plain white shower curtain 1800mm width x 1800mm drop. Made from 100% woven polyester (86 grams p/m) a water-resistant fabric which is semi-permeable and breathable for a fast-drying time. The denser material and weighted bottom hem prevents the shower curtain clinging and billowing. Supplied with 11x hooks and gliders, designed to fit AKW's range of shower curtain rails.

24082 - AKW Heavy Duty Shower Curtain 1800x2000mm Drop

£22.18

AKW heavy duty plain white shower curtain 1800mm width x 2000mm drop. Made from 100% woven polyester (86 grams p/m) a water-resistant fabric which is semi-permeable and breathable for a fast-drying time. The denser material and weighted bottom hem prevents the shower curtain clinging and billowing. Supplied with 11x hooks and gliders, designed to fit AKW's range of shower curtain rails.

24084 - AKW Heavy Duty Shower Curtain 2400x1800mm Drop

£22.18

AKW heavy duty plain white shower curtain 2400mm width x 1800mm drop. Made from 100% woven polyester (86 grams p/m) a water-resistant fabric which is semi-permeable and breathable for a fast-drying time. The denser material and weighted bottom hem prevents the shower curtain clinging and billowing. Supplied with 11x hooks and gliders, designed to fit AKW's range of shower curtain rails.

24083 - AKW Heavy Duty Shower Curtain 2400x2000mm Drop

£22.18

AKW heavy duty plain white shower curtain 2400mm width x 2000mm drop. Made from 100% woven polyester (86 grams p/m) a water-resistant fabric which is semi-permeable and breathable for a fast-drying time. The denser material and weighted bottom hem prevents the shower curtain clinging and billowing. Supplied with 11x hooks and gliders, designed to fit AKW's range of shower curtain rails.

Description

AKW heavy duty plain white shower curtains are made from 100% woven polyester, a water-resistant fabric. With a bottom weighted hem, the denser material prevents the shower curtain clinging and billowing.

Shower curtains assist with water retention in the shower tray and must be fitted inside half height shower screens to retain the water. When installed with level access trays they should be fitted so that the curtain drags on the tray by 25mm (1 inch).

Key benefits:

- Plain white
- Easy to clean, machine washable
- Plastic eyelets make it easier to thread onto the curtain rail
- Helps to keep your bathroom floor free from splashes and sprays of water
- Semi-permeable and breathable, fast drying time gives an added level of safety
- Strong, robust, durable with increased longevity
- Curtain material: 100% woven polyester, water resistant fabric
- 86 grams per metre material
- Weighted hem
- Prevents clinging and stays within the showering area
- 1x Hook & Glider Pack included (11x)
- Available in a range of sizes Width x Drop:
 - - Product Code: 24085 - 1800 x 1800mm (71" x 71")
