£187.94 Inc. VAT

Product Code: 23143

Product Images

Description

AKW emergency audio alarm, simply operates by user pulling long cord to raise alarm. Provides a peace of mind for users and carers. Designed to adhere to Doc M building regulations.

Control panel has 2 LED lights, green for standby and flashing red to indicate alarm activation.

Ideal for Doc M Low-level toilet installations, where only a toilet seat is fitted.

Key benefits:

- Easily installed
- Provides clear sounding audio alarm when activated
- Two long cords have red bangles, making grip easier
- CE certified

Technical details:

- 12V DC Power supply
- 90dbA alarm
- Easy to install

Please note:

- This product is non-returnable due to infection control
