Description

The AKW Standard Gravity waste has been designed for use with the Tuff Form, Tuff Form8 floor formers or the AKW Braddan shower tray.

For added hygiene, the integrated filter collects any hair or other debris that may get washed down the waste and can be easily removed for cleaning.

Key benefits:

- Suitable for floor formers with a Ø 50mm waste hole
- Suits AKW Tuff Form Tuff Form8 and Tri Form floor formers
- Suits AKW Braddan Shower Tray
- Top access for easy cleaning and maintenance
- Water trap prevents bad odour backflow
- Integrated filter catches hair and other debris that may be washed down the waste
- Depth below the tray: 124mm
- Overall depth: 144mm
- Waste Diameter: 50mm
- Meets the performance requirements of British Standards - Ensures product is fully compliant and safe for site requirements

Optional adapters:

- LB00171 – For use with Tuff Form with Tiled Floors
- 25433 – For use with Tuff Form or Tuff Form8 with Tiled Floors
- 25107 – For use with Tuff Form with vinyl flooring

Warranty:

- Lifetime Warranty (please refer to AKW's terms and conditions)
