Description

The Granberg Basicline 433 is a wall mounted electric washbasin lift with integrated mirror and LED lighting above.

Stylish and discreet, the entire system moves to the required height using the corded hand control, which can be complimented with an optional handheld remote control.

This version includes the 425-011 washbasin with safety stop system.

Key benefits:

- Complete 250mm wall mounted height adjustable system with mirror, lighting and washbasin
- Electric operation with corded hand control, optional handheld radio control (Product Code: 61385)
- Mirror and lighting move in tandem with the basin
- Compact washbasin for children or confined spaces
- Depth of leg room under the washbasin (mm): 600
- Plumbing connections are elegantly concealed in the lifting unit
- Includes safety stop switch - prevents the descent of the lift in the event of an obstruction

Includes:

- 433 Washbasin lift, safety stop switch, mirror with LED light above
- 425-410 Corded hand control
- 425-011 Porcelain compact junior washbasin with overflow and plug
- 425-331 flexible drain hose with water trap

Optional taps with 2x 500mm PEX flexible hoses:

- Granberg FMM 425-105 basin mixer tap (Shown product images), 150mm lever and PEX hoses
- Granberg FMM 425-106 basin mixer tap, 150mm lever, 1.5m hose hand shower and PEX hoses

- Granberg FMM 425-110 infrared basin mixer tap (6V battery), temperature control and PEX hoses
- Please note: The FMM taps are not UK - TMV rated or WRAS approved for commercial applications
- Inta IT1005CP Sequential TMV3 mixer tap, 140mm lever and PEX hoses - (WRAS Approved)
