Description

The Granberg Basicline 403 is a wall mounted manual washbasin lift.

Stylish and discreet, the entire system can be manually moved to the required height and locked into place.

This version includes the 425-015 washbasin.

Key benefits:

- Complete height adjustable basin system
- Wheelchair accessible washbasin with shallow bowl and integrated gripping slots
- Manual adjustment using a socket wrench
- Track design gives it step-less 250mm height adjustment
- Depth of leg room under the washbasin (mm): 586
- Free space below the unit for plumbing connections
- Low level (can be installed beneath a mirror or cabinet)

Includes:

- Granberg Basicline 403-1 washbasin bracket
- Granberg 425-015 Solid surface material with integrated grabrails, without overflow or plug
- Granberg 425-331 flexible drain hose with water trap

Optional taps with 2x 500mm PEX flexible hoses:

- Granberg FMM 425-105 basin mixer tap (Shown product images), 150mm lever and PEX hoses
- Granberg FMM 425-106 basin mixer tap, 150mm lever, 1.5m hose hand shower and PEX hoses
- Granberg FMM 425-110 infrared basin mixer tap (6V battery), temperature control and PEX hoses
- Please note: The FMM taps are not UK - TMV rated or WRAS approved for commercial applications
- Inta IT1005CP Sequential TMV3 mixer tap, 140mm lever and PEX hoses - (WRAS Approved)
- Inta IT1006CP Sequential TMV3 mixer tap, 190mm lever and PEX hoses - (WRAS Approved)
