Description

The Granberg Basicline 415 is a floor mounted electric washbasin lift with clean white finish.

Stylish and discreet, the entire system moves to the required height using the corded hand control, which can be complimented with an optional handheld remote control.

This version includes the 425-015 washbasin with safety stop system.

Key benefits:

- Complete height adjustable basin system
- 250mm continuously variable height
- Low level, can be installed beneath a mirror or cabinet
- Electric operation with corded hand control, optional handheld radio control (Product Code: 61385)
- Plumbing connections are elegantly concealed in the lifting unit
- Wheelchair accessible washbasin with shallow bowl and integrated gripping slots either side, also ideal for towels
- The washbasin has no overflow (ideal for infection control), slotted waste and no plug
- Depth of leg room under the washbasin (mm): 586
- Includes safety stop switch - the basin will stop lowering if it comes into contact with any obstacle or the user's legs

Includes:

- 415 Washbasin lift
- 425-410 Corded hand control
- 425-403 Safety stop switch for Basicline 415 washbasin lift

- 425-015 Solid surface washbasin, with integrated grabrails. Slotted waste only - No overflow or plug
- 425-331 Flexible drain hose with water trap

Optional taps with 2x 500mm PEX flexible hoses:

- Granberg FMM 425-105 basin mixer tap (Shown product images), 150mm lever and PEX hoses
- Granberg FMM 425-106 basin mixer tap, 150mm lever, 1.5m hose hand shower and PEX hoses
- Granberg FMM 425-110 infrared basin mixer tap (6V battery), temperature control and PEX hoses
- Please note: The FMM taps are not UK - TMV rated or WRAS approved for commercial applications
- Inta IT1005CP Sequential TMV3 mixer tap, 140mm lever and PEX hoses - (WRAS Approved)
- Inta IT1006CP Sequential TMV3 mixer tap, 190mm lever and PEX hoses - (WRAS Approved)
