Description

The AKW 9.5kW SmartCare Plus white electric shower with an M11 pump and screedmaster waste. This electric shower is expertly designed, encompassing a multitude of features designed to aid with personal or assisted showering; features, such as the option to control the shower by the remote control, via an app (Android or iPhone) or the shower with the raised tactile "+" and "-" buttons for the flow rate and temperature.

The shower has also been designed to assist the installer with simple but thoughtful features such as 8 different electric and water entry points, dual power blocks for right or left-hand wiring and a footprint that covers most manufacturer models; this reduces the chances of having to re-tile if retrofitting.

For added reassurance when showering, the included 934mm riser bar has a 150kg maximum load allowing it to double as a grab bar if needed.

Key benefits:

- Designed to help users with dementia and visual impairments
- Electronic thermostatic Temperature and Flow Control
- Audible temperature and flow indicators
- Thermostatic control and phased/auto shutdown
- Raised tactile symbols for temperature and flow
- LED illuminated flow and temperature indicators
- On/off button memorises last settings
- Easy push button controls for power, temperature and flow
- Push button shower head slider
- Easy one handed operation
- Controls are closely grouped together
- Can be fully controlled via the app
- Includes a 3 mode shower head
- Rounded surfaces for added safety if the user falls in the shower
- An eco-flow option for optimum water usage
- Easily adjustable for multi-user environment and removeable for carer
- Smooth anti-kink 2m silver hose
- Activated by flow sensor which is required for use with dual feed showers
- Easy to setup and configure ensuring full drainage of shower trays as the pump automatically adjusts to variations in water supply
- Removeable soap dish

Choice of control:

- Raised tactile symbols for temperature and flow
- LED illuminated flow and temperature indicators
- Remote control has a range of 10 metres
- Bluetooth smart wireless control (Optional)
- iShower app for Android and iPhone

Includes AKW Screedmaster 15mm John Guest Speedfit Outlet Pumped Waste (Product Code: 25100):

- Locking top cover for added security and safety
- Top access - easy to clean
- Includes clamping ring for fitting flexible sheet flooring in wet rooms
- For use when laying a traditional screeded wet floor area

- Manufactured in white ABS - will withstand wheelchair and shower seat leg loadings
- 32mm depth
- 15mm outlet (22mm outlet also available see product code: 25407)
- Includes the John Guest Speed Fitting Adapter Locking Ring

Technical details:

- Height (mm): 380
- Width (mm): 230
- Depth (mm): 85
- Footprint Height (mm): 345
- Footprint Width (mm): 210
- Riser rail (mm): 934
- Riser colour: White
- Output (kW): 9.5
- Stand-by power consumption: < 0.5W
- Supply rating: 40/45A
- 8 cable entry points: top, bottom, rear and side and left or right
- Supply: Mains pressure cold water feed
- Inlet water temperature range: 3°C – 28°C
- 8 water entry points: top, bottom, rear and side and left or right
- Inlet connections: 15mm pipe
- Outlet connection: ½" BSP male
- Optimal minimum dynamic pressure: 1 bar
- Minimum maintained pressure: 0.5 bar
- Maximum pressure: 10.0 bar
- Residual current device: 30mA (must be fitted)
- Water ingress rating: IPX4

Approvals:

- WRAS Approved
- BEAB Care Approved
- BEAB Approved
- RNIB Approved

Manufacturer warranty:

- 5 year manufacture warranty
