Description

The Pressalit Raja 410 toilet seat, is white in colour with a slow close mechanism and lift-off removeable seat/lid function, allowing for easy cleaning. The toilet seat has a unique shape, the large dimensions allow the seat to fit a wide range of toilet bowls. The seat is suitable for users who need a larger seat and or a wider than standard aperture. Ideal for users who need to catheterise.

Key benefits:

- Built-in soft close function
- Removeable seat/lid for easier cleaning
- Suitable for universal toilets
- Wider than standard aperture can help users who need to catheterise
- Larger seat ideal for the larger users
- Maximum 300kg seat ring load
