---	-------------------------------	--------

Description

The Pressalit MATRIX Medium 780 x 550 x 165mm vanity wash basin has two integrated handrails at the front, either side of the basins concave front edge.

With Up/Down control buttons in the front right hand side of the basin, which only work with the MATRIX electric height adjustable basin bracket R4827000 (order separately).

There is no overflow, Ø36mm tap hole for a monobloc tap and an optional drain fitting with strainer waste grate. Do not fit the Plug & Chain supplied.

The wash basin has raised edges, preventing water from running over the back or down the outer sides.

Manufactured from cultured marble with a high-polished, pore-free sanitary gel coating.

Key benefits:

- Medium washbasin with two Integrated hand grips for support and stand/sit aid
- Concave front edge
- Manufactured from cultured marble with a high-polished, pore-free sanitary gel coating
