Description

The Geberit AquaClean Mera Care WC Complete Solution, a floor-standing shower toilet developed for independent living with carers and end user requirements in mind.

Building on the huge success of the AquaClean 8000plus Care model, the Mera Care comes with a host of new features and innovations to aid both the WC user and their carers.

Key benefits:

- Rimless ceramic pan
- TurboFlush flush technology
- Flushed by button on the remote control or by the button on top of the cistern
- WhirlSpray shower technology with individual spray arm position - provides a comfortable clean whilst saving water
- Adjustable oscillating spray (automatic forward and reverse motion of the spray arm)
- Extendible Lady shower nozzle integrated into the spray nozzle with individual spray arm position
- Adjustable shower arm to suit your seating position
- Automatic shower arm cleaning before and after each shower procedure
- Adjustable water temperature
- Hybrid hot water system with continuous flow heater and storage water heater
- Dryer functionality via dryer arm - fully extendable with unlimited programme duration to suit you
- Descaling programme
- Odour extraction with a ceramic honeycomb filter
- SoftClosing WC seat, fixed, for absorption of lateral forces. QuickRelease function
- Programmable with 4 x user profiles
- User recognition - can be set to "Barrier-free mode" for use with shower chairs
- Free Geberit AquaClean app - Please refer to User Guide for more information see "Installation and Help Guides" tab
- Can be used as a standard flush toilet in the event of a power cut
- Commissioning undertaken by the installer

Controls included:

- Remote control - easy-to-operate, ergonomically designed - with magnetic wall-mounted holder
- Touchless wall control panel - easy to activate panel with only ONE sensor button to start the shower program, including flush
- Lateral control panel with status LED - The shower toilet functions of the device can be operated from the lateral control panel on the shower toilet
