# Purus Knife 130 for Minimax & Mini Brage Wastes - Reusable

£20.33 Inc. VAT

Product Code: 7113605

## Product Images

## Description

This Purus cutting knife allows you to make a perfect circular hole 107mm diameter in wet room tanking membranes and vinyl flooring, thereby preventing tearing of the material and possible leaks.

The vinyl flooring can then be secured in place by the Clamping Ring of the Purus Shower wastes creating a watertight seal.

**Please note** - The Purus Knife is only compatible with these Purus Mini Shower Wastes:

- Purus MiniMax Two Part Horizontal Wet Floor Waste Gulley (Product Code: 52719)
- Purus MiniMax 50 Horizontal Waste with Water Trap and Adapter (Product Code: 7113764UK)
- Purus Mini Brage 50 Vertical Waste with Flexi NOOD Trap (Product Code: 7113539UK)
- Purus Mini Brage 110 (Product Code: 7113538UK)
- Purus Mini Oden 50 (Product Code: 7113535UK)
