£930.00 Inc. VAT

Product Code: GD50-LH

Product Images

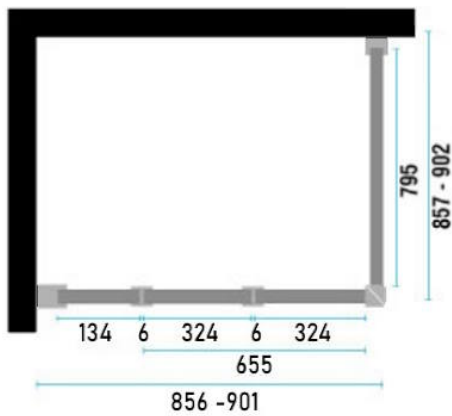

HANDLE OPERATION

The external handles are designed to rotate 180° to allow the upper & lower doors to open independently and so that they don't clash when "PANEL B & C" are folded back against each other.

Towel rail & handles

Description

The GD50 is a corner full height shower enclosure from the AKW / Contour Showers Opulence range. It features a single left hand stable door hung off a fixed wall panel, with the top bi-fold door divided into two halves and a fixed right-hand return side panel.

Top bi-fold stable door opens outwards to allow access if assisted showering is required, leaving the bottom door section closed to retain water from the shower.

The door handles can be used to open outward the whole door or by simply rotating them, the top bi-folding door can be opened independently if assisted showering is required.

Opening and closing the full height Opulence glass corner enclosure is trouble-free using the easy grip

internal and external handles. With effortless opening and closing action provided by the 180° rise & fall, chrome plated, solid brass door hinges.

Small internal handle with integrated finger channels for easy use.

Glazed fixed panels of 8mm thick toughened safety glass and door panels of 6mm thick toughened safety glass sections with Easy Clean glass coating. The GD50-LH comes in a choice of sizes, supplied with square profiles for shower trays / tiled floors or coved wall profiles for vinyl flooring.

Key benefits:

- 1900mm height
- Left hand: Left hand top bi-fold stable door hinged off a fixed wall panel, right-hand return fixed side panel
- Split height allows the top panels to be opened outwards independently for assisted showering
- The fixed wall panel helps to avoid sanitary ware
- 850mm high bottom door panel projects above standard height sanitary ware
- Fixed hinge panels: 8mm thick - CE approved toughened clear safety glass
- Door panels: 6mm thick - CE approved toughened clear safety glass
- Easy Clean glass coating - designed to reduce staining and help keep the enclosure looking new
- 180° rise and fall hinges - allow the doors to open smoothly but seal tightly
- Easy grip internal and external door handles
- 45° fixed glass panel corner tie back bars ensure a rigid installation
- Unique, chrome towel rail connects located on the bottom door panel
- Aluminium, satin chrome polished wall profiles, with 45mm adjustment
- Chromed brass hinges, wall brackets and door furniture
- Watertight magnetic door seals
- Easy Clean glass coating - designed to reduce staining and help keep the enclosure looking new
- Choice of coved profile to accommodate vinyl flooring or square profile for tiled floors and shower trays
- Compatible with showers trays and wet room floor formers with a 40mm flat perimeter
- Left-handed - Choice of size

Split height panels:

- Total height of enclosure (mm): 1900
- Height of bottom panels (mm): 850
- Height of upper panels (mm): 1050

1920mm high wall profile options:

- Square edge compensator for shower trays and tiled wet room floors
- Curved edge compensator coved vinyl safety sheet flooring

Warranty:

- Manufacturer lifetime guarantee, with 12 months for rubber seals

Please note:

- The Shower Tray, shown in the main image is not included
- Due to the nature of all glass shower doors, we cannot guarantee they are 100% watertight
- Power showers are not recommended for use with Opulence shower doors
