## Description

---

The GD53 is a full height glass shower panel from the Contour Opulence range.

This glass shower screen will add a feeling of space and openness, creating a luxurious and minimalist walk-in shower experience that's perfectly suited in any modern bathroom.

These walk-in glass shower screens can be installed directly onto easy access or level access shower trays which have a 40mm flat top perimeter or a tiled or vinyl wet room floor former for total freedom.

It features 8mm thick toughened safety glass with Easy Clean glass coating, designed to reduce staining and help keep the enclosure looking new.

Choice of size, comes in a choice of sizes, supplied with square profiles for shower trays / tiled floors or coved wall profiles for vinyl flooring.

Optional pivoting deflector 300mm glass flipper panel, helps to keep spray water inside the shower area.

### Key benefits:

- For a modern and minimalist walk-in shower experience
- Full height fixed wet room panel
- 8mm thick toughened glass

- Easy clean glass coating keeps both sides of the glass looking like new
