Description

Granberg’s Mini kitchen Module 6380-ESFSR, a wall mounted manual worktop lift with 300mm of height adjustment. One piece stainless steel worktop with a left hand 2 zone hob cut-out and a right hand single bowl shallow depth insulated kitchen sink with overflow. The insulated sink bowl prevent scalding of users knees/legs.

The worktop lift features a smooth stainless worktop that is ideal for preparing food or as drying area.

Choice of optional Granberg FM Mattsson kitchen monobloc mixer taps, 190mm easy to reach lever with a swivel spout - with or without dishwasher cut-off valve.

The underside of the ESFS stainless steel worktop/drying area is supported by a fully-glued MDF board.

For occasional height adjustments. Height adjustable range of 300mm, in increments of 25mm. The built-in gas spring in the support legs facilitates height adjustment, with a locking pin.

Pre-fitted front facia, the rear cover panels are easy to fit and hide the legs and services.

The modules are manufactured 10mm shorter in width, to allow for a 5mm clearance gap at both ends for safe movement, ideal for the direct replacement of 1000 and 1200mm width cabinets. The module has a reduced depth of 15mm to accommodate splashbacks and wall tiles.

Electric floor standing systems or Manual wall mounted variations are also available.

Key benefits:

- Right hand mini kitchen module with 300mm of manual height adjustment, 730-1030mm above the floor
- Built-in gas spring in the support legs facilitates height adjustment, with a locking pin
- Pull out the locking pin, adjust the height in 25mm increments with the help of the gas spring. Lock the position with the locking pin
- The wall mounted legs are concealed by 2x matt white sliding cover panels with 2x dark grey coloured steel end plates
- Tilt able worktop plane for adjustment
- Full extension drawers can be added (except; below the hob) as a factory fitted option - (Contact us if required)
- Range of widths 990 and 1190mm to suit standard kitchen base unit spaces: 1000 and 1200mm
- The modules are 10mm shorter in width to allow for a 5mm gap both sides of the unit for the up/down movement

- Adjustable depth 576-606mm including the Alu. front to suit adjoining cabinets and worktops
- 100mm free space below the foot of each leg for services
- Quick solution, top frame supplied pre-assembled for fast site installation
- White Powder Coated RAL 9003 aluminium fascia front with plastic end caps
- ESFS stainless steel worktop with one right hand 120mm deep shallow bowl sink, overflow and flexible waste kit
- Insulated underside of the sink bowl to prevent scalding of users knees/legs
- Customizable cut-out, to suit your 2 - zone electric cooking hob (do not fit gas hobs)
- Optional Granberg FM Mattsson (FMM) kitchen monobloc mixer tap with 190mm easy reach lever and swivel spout that can be adjusted to 60°, 85°, 110°, 360° or fixed
- Pair of flexible Water Hoses 2-pack, 3/8", length 500mm with Tap connectors for FMM taps

Optional choice of tap style:

- - 60210 FMM Inc. dishwasher shut off valve (Not WRAS approved)
- - 60211 FMM Excl. dishwasher shut off valve (Not WRAS approved)
- All components available separately
