Relaxa Bath Lift Replacement Wall Plate

£81.00 Inc. VAT

Product Code: RBLRBA

Product Images

Description

This replacement wall plate for the Relaxa Bath Lift and Mermaid Bath Lift fixes on to the wall, onto which the chassis backplate of the bath lift fixes.

The wall plate has six projecting studs which have provision for screws, bolts or other suitable fixings to pass through the centre of the stud, to secure the wall plate firmly to the wall.

The bath lift's chassis backplate is machined with 6 keyhole slots which allow this steel plate to slot tightly down over the projecting studs of the wall plate.

The lifting weight of the bath lift is up to 127kg (280lbs) requiring the bath lift to be robustly secured to the wall.

Key benefits:

- Stainless steel construction
- Manufactured in the United Kingdom

Warranty:

- 1 year manufacturer warranty
