Product Images

Description

Ropox stationary brackets for wall cupboards, 250mm height adjustable range in 42mm increments.

The brackets make it possible to adjust the height of wall units stepwise.

The back cover must have a minimum of 16mm void between the left and right covering.

- Manual suspension system offers simple and efficient mounting of cupboards
- Maximum load capacity per set of 2 pieces is 90kg
- Movable 250mm upward and downward in 42mm increments
- Brackets for wall units are totally hidden and secured on the back of the wall unit
- Aluminium

Set includes:

- 2x Wall Cupboard Brackets
- 2x Wall Fixing Brackets
