Description

EVOLine Wireless Charging Pad with USB-C Cable & UK Power Adaptor

Enjoy fast, reliable wireless charging with the EVOLine Wireless Charging Pad. Designed with premium German engineering, this ultra-slim charging pad combines elegant minimalist styling with powerful magnetic wireless charging for compatible smartphones and smartwatches.

Simply connect the supplied USB-C cable to the included UK USB-C power adaptor, place your compatible device onto the charging surface, and charging begins automatically. The integrated magnetic alignment helps keep supported devices perfectly positioned over the charging coil for maximum charging efficiency.

Pure Minimalism

At only 6 mm thick and 58 mm in diameter, the EVOLine Wireless Charging Pad blends effortlessly into any environment. Whether used on a bedside table, desk, kitchen worktop or office workspace, its discreet design complements modern interiors without adding clutter.

Fast Wireless Charging

Supporting wireless charging up to 15 W, the charging pad is suitable for a wide range of Qi-compatible smartphones and accessories. It also supports compatible Apple Watch charging, making it an ideal all-round charging solution for home and office use.
