A. Supply pipe for hot water
B. Supply pipe for cold water

Description

This Pressalit shower mixer with thermostat has user-friendly operating handles in contrasting black, which are easy to see against the chrome mixer.

The shower mixer is heat-insulated and the unit features scald protection, preventing unintended water temperatures exceeding 38°C.

The unit can also be mounted on shower mixer bracket RT760, for attaching to the Pressalit PLUS horizontal wall track systems.

Key benefits:

- Pressalit shower mixer mechanical scalding protection
- Temperature adjustable in + / - 1.8°C increments
- Chrome mixer
- Contrasting black handles
- Heat insulated
- Scald protection
- Can be mounted to mixer bracket RT760 for fixing to Pressalit PLUS horizontal wall tracks
- VA-approved (Denmark)

Materials:

- Shower body: Chromed brass
- Protective cover: Black plastic
- Handles: Black plastic

Warranty:

- 5 year manufacturer warranty
