Ina Non-Concussive Basin Mounted Contemporary Tap (Single)

£40.18 Inc. VAT

Product Code: NC162CP(S)

Product Images

Description

The Ina basin mounted push tap is designed for use with our range of thermostatic mixing valves.

With manual operation the tap functions for a period of time and then closes automatically.

This makes the tap ideal for use in unsupervised areas such as sports changing rooms and washrooms. It is also perfect for use as a water economy device.

The simple operation of the push tap enables users with limited mobility to use the facility.

Key benefits:

- High polished chrome with brass body
- Aerated outlet
- Simple operation
- Closes automatically - improves water economy
- Non concussive operation
- Supplied with red and blue ring to suit your water outlet

Approvals:

- WRAS approved

Technical details:

- Min operating pressure: 0.2 bar dynamic
- Max operating pressure: 10 bar static
- Timed flow at 1 bar: 15 seconds ± 3
- Connections: G ½"
- Cartridge: NC600XX

Warranty:

- 1 year manufacturer warranty
