Ina Non-concussive Basin Mounted Manual Mixer Tap

£185.60 Inc. VAT

Product Code: NC230CP

Product Images

Description

The Ina non concussive basin mounted tap is designed for use with the Ina range of thermostatic mixing valves.

The tap is operated by pressing the control knob, the non concussive action closes the tap after 15 seconds. Rotating the control knob clockwise or anti-clockwise reduces or increases the mixed water temperature. The

tap's automatic closing action and durability makes it ideal for high use areas such as leisure centres.

Key benefits:

- Timed flow control automatically closes the tap
- Temperature adjustable
- Ideally paired with an Intamix TMV for TMV2/TMV3 compliance

Technical details:

- Min operating pressure: 0.5 bar dynamic
- Max operating pressure: 5 bar static
- Timed flow at 1 bar: 15 seconds \pm 3
- Max basin thickness: 45mm
- Cartridge: ID8112
- Includes flexible feeds

Warranty:

- 1 year manufacturer warranty

Note:

- Copper Tails not included
