

Independent 4 Life

Inta Non-Concussive Basin Mounted Standard Tap (Single)

£38.88 Inc. VAT

Product Code: NC160CP(S)

Product Images

Description

The basin mounted push tap is designed for use with the Inta range of thermostatic mixing valves.

With manual operation the tap functions for a period of time and then closes automatically.

This makes the tap ideal for use in unsupervised areas such as sports changing rooms and washrooms.

It is also perfect for use as a water economy device.
