### **Description**

Perfect Time is part of Inta's range of electronic time controlled faucets operated by "Piezo Technology". Wall mounted, the self-closing fitting avoids the risk of taps being left on.

With an 8-second factory preset, installation or maintenance staff can easily change this time as required.

#### **Key benefits:**

- Time controlled basin electronic tap activated by piezo switch
- Battery powered
- Filter included
- Solid brass construction
- To be used with cold or premixed water
- Water will start to flow out of the tap when the user touches the upper cap
- Water will stop automatically at the end of the present time or after the user touches the upper cap again
- Running time is easily adjustable

#### **Approvals:**

• WRAS approved
