Description

Contour 105mm high GRP toilet plinth, for raising the physical height of a WC toilet pan.

- Toilet plinth to be used to permanently raise the WC pan by 105mm
- Screw directly to the floor or shower tray
- Solid GRP construction
- Handmade in England
- An alternative to using raised toilet seats
- Universal - can be used with virtually all WC pans

- Incorporates Biomaster antibacterial protection
- The addition of a grabrail alongside the WC can assist the user when standing or sitting

Plan view size:

- Base footprint - 465mm (L) x 305mm (W)
- WC pan deck - 410mm (L) x 240mm (W)

Warranty:

- Lifetime manufacturer warranty
