

Independent 4 Life

Intra Kindergarten Tap Infrared (6V Battery Operated)

£634.09 Inc. VAT

Product Code: KT01250

Product Images

Description

Unique basin tap designed specifically for children, featuring safe 6V battery infrared operated control.

The tap should only be used on cold or mixed water applications.

A TMV3 thermostatic mixing valve such as the Intamix 40015CP should be used for guaranteed safety.

Key benefits:

www.independent4life.co.uk | info@independent4life.co.uk | Tel: 0800 500 3001 | VAT No: 942447711

EORI GB942447711000

- Visually stimulating to encourage children's hand washing
- Pre-set mixed water
- Suitable for use with unvented supplies, combi boilers, gravity and mains pressure systems
