Product Code: VA02

Product Images

Description

The Voda is a striking range of chrome support rails, designed to combine the modern technologies of precision moulding with a high quality of material finishing.

The result is a superb looking range of rails that incorporate all the functionality of the more "standard" styles available on the market.

- Suitable for both wet and dry environments
- Brass and die cast construction
- Chromium-plated to Service Condition 2
- Fixing cover in ABS plastic
- Straight grab rail
- 600mm length
- Chrome finish
- 35mm diameter
- Doc M compliant

Warranty:

- 12 year manufacturer warranty

Please note:

- Wall fixings are not included. The installer should select the correct fixings based on wall type
