or

Mounting – hinge, position B

min. 420 mm
max. 460 mm

Description

Pressalit Dania 50mm raised toilet seat with open front makes it less difficult to sit down and stand up, an anatomically well-designed seat which is suitable for most people.

Sideways transfer is easy, as the seat is relatively flat.

This open front design makes it suitable for using as a bidet with easy access for a hand shower. It is also suitable for use in hospitals, as most bedpans will fit into the bowl with the handle placed in the open front.

Key benefits:

- An inexpensive adaptation to a toilet which changes the height
- 50mm raised height toilet seat, with stabilising buffers to prevent lateral movement
- Suitable for sideways transfers
- Comfortable design
- The open front makes it suitable for use with hand shower for bidet function, as well as with hospital bedpans
- Special cross bar hinge (T9802) adapted to raised height toilet seats
- 120 to 170mm hinge centre to centre mounting
- Max. vertical load: 150kg
- White - NCS code: S0502-Y

Technical details:

- Hinge hole spacing c/c (mm): 120-170
- Seat outside length (mm): 405-450
- Seat outside width (mm): 370
- Aperture size L x W (mm): 290 x 222
- Open front width (mm): 75
- Maximum load (stone / kg): 23.62 / 150
- Weight (kg): 2
