Description

Pressalit Care Dania 50mm raised height toilet seat with open front and cover, that makes it less difficult to sit down and stand up.

The open front design makes it suitable for using as a bidet with easy access for a hand shower. It is also suitable for use in hospitals, as most bedpans will fit into the bowl with the handle placed in the open front.

An ergonomically designed seat, suitable for most people, the cover is comfortable to sit on and when set upright it provides good support to the back.

Sideways transfer is easy, as the seat is relatively flat.

Key benefits:

- An inexpensive adaptation to a toilet which changes the height
- 50mm raised toilet seat, with stabilising buffers to prevent lateral movement
- Suitable for sideways transfers
- Open front makes it suitable for use with hand shower for bidet function, as well as with hospital bedpans
