### Mounting – hinge, position B

## T9515

### Splash guard, 100 mm:

## Description

Pressalit Dania 100mm raised toilet seat with open front and cover, the raised height makes it easier to sit down and stand up.

This open front design makes it suitable for using as a bidet with easy access for a hand shower. It is also suitable for use in hospitals, as most bedpans will fit into the bowl with the handle placed in the open front.

The removable splash guard helps with hygiene in the bathroom.

An ergonomically designed seat, suitable for most people, the cover is comfortable to sit on and when set upright it provides good support to the back.

Sideways transfer is easy, as the seat is relatively flat.

**Key benefits:**

- An inexpensive adaptation to a toilet which changes the height
- 100mm raised height toilet seat, with stabilising buffers to prevent lateral movement
- Open front makes it suitable for use with hand shower for bidet function, as well as with hospital bedpans
- Includes a 100mm transparent matt splash guard - T9515
- Suitable for sideways transfers
- With cover, which is comfortable to sit on and provides good back support
- Special cross bar hinge (T9801) adapted to raised height toilet seats
- 120 to 170mm hinge centre to centre mounting
- Max. vertical load: 150kg
- White - NCS code: S0502-Y
