Description

Pressalit PLUS manually height adjustable folding 450 shower seat with aperture and backrest on a vertical PLUS track with anthracite grey cover plate, for mounting on the horizontal PLUS wall track (not included).

The seat and backrest can be adjusted simultaneously thanks to a safe and easy click system.

It can also be easily moved when a standing user needs to take a shower, as it folds away to free up extra space when not in use.

With the vertical wall track mounted at the recommended height, it is possible to adjust the height of the shower seat by 380mm from 350 to 730mm above floor level.

Key benefits:
