Description

Pressalit PLUS 450 shower seat has a wired hand controller to adjust the seat height between 200 and 700mm, with a folding shower seat, backrest and height adjustable armrests.

This seat is powered, allowing you to raise or lower the seat at the push of a button, so the seat can easily be adjusted to a suitable working height for the carer.

The seat, backrest and armrests can be adjusted simultaneously thanks to a safe and easy click system. The armrests can also be adjusted independently of the seat and backrest.

It can also be folded when a standing user needs to take a shower, as it folds away to free up extra space when not in use.

Key benefits:

- Electrically height adjustable shower seat by 500mm
- The armrests are independently height adjustable
- Maximum flexibility for multi-user shower rooms
- The seat and armrests are fold-able
- Ergonomically designed seat
- The seat has a soft and slip-resistant material that has a warm feel
- The armrests oval shape gives an easy and comfortable surface to lean on and push against
- The wired hand control is supplied with a bracket for fitting to the wall
- Available in a range of colours
