Description

Pressalit PLUS height adjustable and folding 450 shower seat with aperture, backrest and armrests on vertical track with anthracite cover plate.

This 450 shower seat, which is suitable for adults, is made from soft and warm materials which make bathing a pleasant experience.

The seat, backrest and armrests can be adjusted simultaneously thanks to a safe and easy click system. The armrests can also be adjusted independently of the seat and backrest.

It can also be easily moved when a standing user needs to take a shower, as it folds away to free up extra space when not in use.

With the vertical wall track mounted at the recommended height, the height of the shower seat can be adjusted by 195mm from 355 to 550mm above floor level.
