Description

Pressalit PLUS adults height adjustable folding 450 shower seat with aperture and backrest on a vertical PLUS track with anthracite grey cover plate.

The seat can be configured and adjusted to meet the requirements of the individual user or situation. Made from soft, non-slip materials, the shower seat exudes high quality and sitting comfort.

The seat and backrest can be adjusted simultaneously thanks to a safe and easy click system.

It can also be easily moved when a standing user needs to take a shower, as it folds away to free up extra space when not in use.

With the vertical wall track mounted at the recommended height, it is possible to adjust the height of the shower seat by 380mm from 335 / 735mm above floor level.
