# Pressalit PLUS Shower Head, 3 Types of Jet, 2m Hose & Fittings

£170.40 Inc. VAT

Product Code: RT613

## Product Images

---

# Description

Pressalit PLUS shower head with 3 different jet types and a chrome finish.

The curved shape of the handle and the weight balance between the head and handle make the shower head suitable for hands with little strength.

An adjustment ring makes it easy to change the spray mode.

A 2000mm shower hose and swivel joints allow the shower head to be used over a large radius.

Recommended for use with the Pressalit PLUS shower head holder (Product code: RT600xxx) available in a choice of colours, White, Red, Dark Blue and Anthracite.

## Key benefits:

- Shower head with 3 types of jet - normal, soft and massage
- Chrome finish
- Suitable for persons with weaker hands
- 2000mm shower hose
- VA-approved (Denmark)

## Technical details:

- Weight (kg): 0.198
- 2000mm shower hose
- Materials: Plastic

## Warranty:

- 5 year manufacturer warranty
