

Pressalit PLUS Folding Seat, Manually Height Adjustable - White

Product Images

Description

Pressalit PLUS height adjustable folding seat, an ergonomically shaped seat, which offers good and comfortable support.

Ideal when extra seating is required, but space is limited.

The seat is suitable for dry situations where additional seating is required and space is limited, such as in kitchens, lifts and corridors or on the landing.

The height can be adjusted by 220mm, from 370-590mm from the floor when mounted at the recommended height.

Key benefits:

- Height adjustable folding seat which folds away when not in use
- Stays up by itself, when folded away
- Excellent space saver
- White colour
- Vertical track with anthracite cover plate
- Excludes wall fixing kit

Technical details:

- Height adjustable range (mm): 220
- Seat contact surface area depth x width (mm): 320 x 370
- Projection from the wall (mm): 400
- Folded projection from the wall (mm): 118
