Description

Pressalit Nursing Bench 1000, with 1800mm length electrically height adjustable nursing bench with wired hand control and a folding safety rail.

The 1000 series is a range of quality nursing benches with PVC coated canvas stretchers that are easy to clean, suitable for a wide range of applications in private places.

Carers can easily set the height of the bench, enabling them to obtain the correct working position.

This ensures safe showering and changing for the user as well as minimizing the risk of back injury for the carer.

Height adjustment:

- When mounted at the recommended height, the height of the nursing bench can be adjusted from 480 mm - 880mm above floor

Control:

- Electric with wired hand control - the red buttons clearly indicate "Up" and "Down"
- The wired hand control comes with a holder for fitting to the wall

Space saving:

- Integrated gas cylinders enable the bench to be folded out of the way when not in use to maximise floor space
- Light table element, folded easily
- Available separately: Wall-mounted, Safety lock (Product Code: R8485)

Optional:

- Available separately: Splash curtain option to keep assistant's legs dry (Product Code: R8421000)
